About Us.

The formation of Sri Sai Civil and Techno Engineers Pvt. Ltd. has yielded services to many esteemed organizations in the field of Civil, Electrical and Structural works for 25+ years, with business volumes registering nearly around Rs 90 crores in the FY 2024-25.

M/s Sri Sai Civil & Techno Engineers Pvt. Ltd. is an ISO 9001:2015, ISO 14001:2015 and OHSAS 45001:2018 certified organization having evolved from its parent company M/s Sri Sai Enterprises. M/s Sri Sai Enterprises started in the year of 1999, with clear vision and values, is highly dedicated towards its Client Satisfaction and Team Building.

Our commitment heightens our threshold of energy, our scale of energy enhances our level of action, our action manifests in our level of success, our success speaks our level of commitment. In today's competitive yet fostering global environment we encourage innovation, creativity, excellence and results through teamwork teaching, inspiring and promoting full participation and career development of our team-mates.

Our Company is promoted by young and dynamic individuals with a well-proven track record of driving leadership. The promoters bring with them a wealth of experience in project management, execution, finance and marketing.

The Company has drawn experienced and professional staff from leading Power, Telecom, Oil refinery and Infrastructure industries.

A highly competent and dedicated team of professionals are consistently working to deliver value to our customers and ensure stipulated time frames. A team of engineering graduates along with functional management experts are driving the company's vision.

Mission & Vision.

VISION & CORE PRINCIPLES

Sri Sai Civil and Techno Engineers Pvt. Ltd. believes in delivering high quality projects with its focus on innovation, quality, client satisfaction and setting new standards of excellence.

Sri Sai Civil and Techno Engineers Pvt. Ltd. is dedicated to building lasting relationships and achieving sustainable growth.

DO IT RIGHT THE FIRST TIME:

- A commitment to precision and excellence, ensuring projects are executed correctly on the first attempt to minimize errors and enhance efficiency.

QUALITY ASSURANCE:

- Prioritizing quality above all other factors to deliver superior project outcomes.
- Every project is undertaken with a focus on maintaining the highest standards of quality.

QUALITY POLICY:

- We are committed to client satisfaction through excellent performance.
To achieve this vision, we continually strive not only to meet client expectation but to exceed them.
- We monitor our performance on all projects through our ISO-9001 certification as we enhance our processes, customer relationship and industry recognition.

QUALITY OBJECTIVE:

- Improve customer satisfaction and reduce customer complaints.
- Strengthen relationship with customer, supplier and partner.
- Improve system and process efficiencies in line with changing customer and market needs.
- Develop employee competencies to meet internal and external customer needs and experience.

Safety, Health & Environment Policy.

We believe that Management of Occupational Health, Safety & Environment is an integral part of our overall business performance. Hence, we are committed to meet the expectations of our customers and continually strive to improve the effectiveness of the Occupational Health, Safety & Environment performance.

To achieve this goal, we are committed to the following principles:

1. The satisfaction of our customers in all respects by supplying high-quality products, complying to the relevant standards, always on time.
2. Fulfill our commitments through total involvement of every staff in the organization and with continual improvement in our Integrated Management System.
3. Complying with all applicable statutory / legal and other requirements concerning Health, Safety and Environment.
4. Effective implementation of HSE system in order to prevent injury or ill health to our employees, visitors, customers, consultants, contractors.
5. Providing the resources for its successful implementation and continual improvement.
6. Proactively identifying and managing HSE risks, and implementing effective controls and systems of work.
7. Providing all necessary Supervision, Training, Instruction, Equipment and Information to employees at our workplaces.
8. The maintenance of a safe workplace for better working environment

Expertise.

Sub : Implementation of the E.S.I. act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(3)/1(5) of the ESI Act, as amended.

Dear Sir(s),

1. It is informed that under section 1(3) of the ESI Act, 1948 is applicable to all factories covered under the Act within the area where your factory is situated.
2. It is further informed that the appropriate Government has extended the provisions of the Act to other establishments Under Section 1(5) of the Act in this area
3. Under Section 2 A of the Act such a factory/establishment is required to register itself under the Act and Chapter IV thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the Act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you/ on the basis of the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 01/02/2017. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act.
6. You are also requested to submit employer's registration form (form 01) on line, as required under the provisions of sec.2-A of the ESI Act , 1948 read with regulation 10-B of the ESI(General), Regulations, 1950(only in case your Code No. is allotted as a result of Survey by a Social Security Officer of ESI Corporation).
7. For the sake of convenience your factory/establishment has been allotted code No **34000339020001099** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **ESI Scheme Hospital Compound, Nurses Hostel, Ground Floor, Sector-5, Kalwa,Vashi, Navi Mumbai** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.

SUB REGIONAL OFFICE

VASHI

Tower No.6, 5th Floor, Vashi Railway Station Complex, 400703

SRO.VASHI@EPFINDIA.GOV.IN

Please note that This intimation letter is generated with the Owners' Details in Form 5A and the intimated letter will be valid only if the Form 5A is enclosed.

Important information:

1. By virtue of the sections 1(3)(a) and 1(3)(b) of the Act, it applies on an establishment on its own volition and you as an employer, are required to comply with the provisions of the Act accordingly. The obligations/duties/responsibilities cast upon you as an employer of this establishment and penalties, on account of non-compliance with the same, are explained on our website www.epfindia.gov.in and there is a link on ECR (Electronic Challan cum Return) portal also for the same. You are required to go through them carefully.

A Starter's Kit for compliance under the Act is available for download from the ECR portal a link to which is provided from the epfindia.gov.in home page.

2. Remittance of dues under the provisions of the Act is to be made only through a Challan generated through the ECR (Electronic Challan cum Return) portal. (The process for registration on the portal, preparation of the ECR txt file and related information is available on the website and the portal).

3. In case this letter is produced as a proof of the code number of the establishment, before any person including any Inspector from EPFO, the Form 5A generated through the portal at the time of registration should be a part of this letter. The remittance details of the establishment will be available on the EPFO website through the link "Establishment Search" where from March 2012 wages onwards, all payments with the names of employees are available on the link in cases of remittances made after uploading the ECR.

4. Please quote the Code Number for all the future correspondence with EPFO.

This is a system generated letter and needs no signature.

Independent Practitioner's Certificate

To,

The Management,

M/s Sri Sai Civil & Techno Engineers Private Limited

1. The accompanying Statement in "Annexure A" contains details of amounts of Annual Turnover for the year ended 31st March 2022, 31st March 2023 & 31st March 2024 which we have initiated for identification purposes only.

Management Responsibility for the Statements

2. The preparation of the Statement is the responsibility of the Management of M/s Sri Sai Civil & Techno Engineers Private Limited including the preparation and maintenance of all accounting and other relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
3. The Management is also responsible for ensuring that the Company complies with the requirements of the Bank and Tender Document.

Practitioner's Responsibility Opinion

4. It is my responsibility to provide a reasonable assurance whether the amounts in the Statement of Annual Turnover for the year ended 31st March 2022, 31st March 2023 & 31st March 2024 have been accurately extracted from the audited financial statements and records maintained by Management of M/s Sri Sai Civil & Techno Engineers Private Limited.
5. I conducted my examination of the Statement in accordance with the Guidance Note on Reports Certificates for Special Purposes issued by the Institute of Chartered Accountants of

Page 1 of 3

Documentation.

India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on my examination, as above, I am of the opinion that the amounts in the Statement in respect of Annual Turnover have been accurately extracted from the audited financial statements for the year ended 31st March 2022, 31st March 2023 & 31st March 2024.

Restrictions on Use

8. The certificate is addressed to and provided to the Management of M/s Sri Sai Civil & Techno Engineers Private Limited the Company solely for the purpose to enable the company to comply with requirement of Tender document, Bank and Company Profile and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.
